Docket NHTSA-2000-8572 - 22

On May 10, 2001, NHTSA representatives met with representatives of Cycloid concerning the impending rulemaking on tire pressure monitoring systems required by the recently-enacted Transportation Recall Enhancement Accountability and Documentation (TREAD) Act.

NHTSA was represented by Dion Casey, Joe Scott, Sam Daniel, Larry Blincoe, Art Carter, Bill Walsh, Steve Peirce, and Jim Simons. Cycloid was represented by Grant J. Renier and A. Mervyn Carse.

Cycloid representatives gave a video presentation on their tire pressure monitoring and inflation systems.
